
**Environmental Impact Assessment (Land Drainage Improvement Works) (Amended)
Regulations 2006 (SI 2006 No 618)**

**Parrett Internal Drainage Board
Lower Brue District Drainage Board**

NOTICE IS HEREBY GIVEN that the Parrett Internal Drainage Board and Lower Brue District Drainage Board propose to improve a number of water control structures in the following areas to assist water level management within Sites of Special Scientific Interest:

West Sedgemoor – ST3626
Wet Moor – ST4524
Northmoor – ST3330
Kings Sedgemoor – ST4033
Tealham and Tadham – ST4245
Catcott Edington and Chilton – ST3942
Westhay Moor – ST4544
Moorlinch – ST3836

Environmental Reports have been produced for each area, which are available for inspection at the address below. The Boards have determined that these works are unlikely to have significant negative effects on the environment and therefore do not intend to prepare an Environmental Statement in respect of the proposals. Any person wishing to make representations in relation to the likely environmental effects may do so by writing to the address below within twenty-eight days of the publication of this notice.

Signed: N W Stevens - Clerk to the Board
